The City's Residential Area is hereby declared to be the entire City of Dawson except: (1) either side of Highway 31 from city limit sign to city limit sign; (2) along FM 709 north from Highway 31 to the city limit sign; (3) on either side of North Main Street, from 2nd Street to 1st Street/FM 709; and (4) on either side of FM 709 from North Main Street east to the city limit sign. For purposes of this ordinance, a building or property is located on the four (4) areas located above only if it has a recognized street address on that street, road or highway.
- (b) Sales of alcoholic beverages are further prohibited within:
 - (1) three hundred feet (300') of a church, public or private school, or public hospital;

- (2) one thousand foot (1,000') of a public school, if the City Council receives a request from the board of trustees of the school district under §38.007, Education Code;
 - (3) one thousand feet (1,000') of a private school if the City Council receives a request from the governing body of the private school; or
 - (4) provided, however, that in the event that the one thousand foot (1000') limitation in either subsection (a)(2) or (a)(3) is not requested or is not applicable for any reason, then the three hundred foot (300') limitation is nevertheless intended to still be enforceable.
- (c) The measurement of the distance between the place of business where alcoholic beverages are sold and the church or public hospital shall be along the property lines of the street fronts and from front door to front door, and in direct line across intersections. The measurement of the distance between the place of business where alcoholic beverages are sold and the public or private school shall be:

 - (2) If the permit or license holder is located on or above the fifth story of a multistory building, in a direct line from the property line of the public or private school to the property line of the place of business, in a direct line across intersections, and vertically up the building at the property line to the base of the floor on which the permit or license holder is located.
- (d) Every applicant for an original alcoholic beverage license or permit for a location with a door by which the public may enter the place of business of the applicant that is within 1,000 feet of the nearest property line of a public or private school, measured along street lines and directly across intersections, must give written notice of the application to officials of the public or private school before filing the application with Texas Alcoholic Beverage Commission. A copy of the notice must be submitted to the Commission with the application. This subsection does not apply to a permit or license covering a premise where minors are prohibited from entering the premises under §109.53, Texas Alcoholic Beverage Code.
- (e) The City Council may allow variances to the regulation(s) under Subsection (a) if the Council determines that enforcement of the regulation(s) in a particular instance is not in the best interest of the public, constitutes waste or inefficient use of land or other resources, creates an undue hardship on an applicant for a license or permit, does not serve its intended purpose, is not effective or necessary, or for any other reason the Council, after consideration of the health, safety, and welfare of the public and the equities of the situation, determines is in the best interest of the community. A holder of a mixed beverage permit which has been issued a food and beverage certificate by the Texas Alcoholic Beverage Commission, because the gross receipts of mixed beverages sold by the holder are 50 percent or less of the total gross receipts from the premises, will be considered to be operating primarily as a food service establishment, and to which Subsections (a)(2) and (3) therefore do not apply.
- (g) Subsection (a)(3) does not apply to the holder of:
- (1) a license or permit issued under Chapter 27, 31, or 72 of the Alcoholic Beverage Code who is operating on the premises of a private school; or

- (a) This section applies only to a permit or license holder under Chapter 25, 28, 32, 69, or 74 of the Alcoholic Beverage Code who does not hold a food and beverage certificate.
- (b) Except as provided by this subsection, the provisions of Section _____ relating to a public or private school also apply to a day-care center and a child-care facility as those terms are defined by §42.002, Human Resources Code.  - (1) The sale of alcoholic beverages is prohibited in any residential area.

- (2) In locations in the City in which the sale of alcoholic beverages is not prohibited at all times, retailers selling alcoholic beverages for on-premises consumption may not sell alcoholic beverages before 11:00 a.m. on weekdays and noon on Saturdays and Sundays, or after midnight on any day.
 - (3) In locations in the City in which the sale of alcoholic beverages is not prohibited at all times, retailers, manufacturers, or distributors selling alcoholic beverages for off-premises consumption cannot sell alcoholic beverages before 7:00 a.m. on any day other than Sunday and noon on Sundays, or after 11:00 p.m. on weekdays and midnight on Saturdays and Sundays.
- (b) In accordance with §109.32(c) of the Texas Alcoholic Beverage Code, the City Council has determined that, in exercising the authority granted by §109.32 with regard to the regulation of the sale of beer and wine, it is in the best interest of the public health, safety and welfare of the citizens for such regulations to distinguish between retailers selling beer and wine for on-premises consumption and retailers, manufacturers, or distributors who do not sell beer and wine for on-premises consumption.

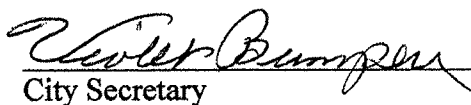

Sec. 1.12. Failure to Supervise a Minor

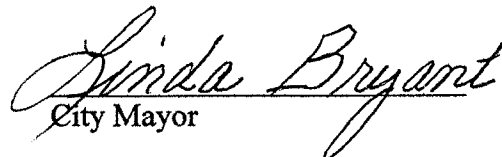

- (a) A person commits the offense of failure to supervise a minor if such person is the parent, foster parent to guardian of a child under 18 years of age; and
- (1) Such person recklessly allows such person's residential property, commercial property or rented premises to be used for a gathering of individuals under 21 years of age, and where at such gathering, alcohol or other illegal, controlled substances are served, consumed, ingested or otherwise used by said individuals under 21 years of age; or

This risk must be of such a nature and degree that its disregard constitutes a gross deviation from the standard of care that an ordinary person would exercise under all the circumstances as viewed from the actor's standpoint.

- (c) It is an affirmative defense to an offense under this article if the person took reasonable steps to control the conduct of the child at the time is alleged to have committed the offense of failure to supervise a minor. It is also an affirmative defense to prosecution under this section that the adult parent, guardian or spouse of a person under the age of 21 is visibly present when alcohol is consumed by such person.
- (d) That should any word, sentence, clause, paragraph or provision of this ordinance be held to be invalid or unconstitutional, the validity of the remaining provisions of this ordinance shall not be affected and shall remain in full force and effect.
- (e) That all ordinances or portions thereof in conflict with the provisions of this ordinance, to the extent of such conflict, are hereby repealed. To the extent that such ordinances or portions thereof are not in conflict herewith, the same shall remain in full force and effect.
- (f) That any person, firm or corporation violating any of the provisions or terms of this ordinance shall be deemed to be guilty of a Class C Misdemeanor and upon conviction in the Municipal Court shall be punishable by a fine not to exceed Five hundred (\$500.00) Dollars for each offense.
